

NEW CHRISTMAS SINGLE · OUT NOW

TWO I BELIEVE IN

"Is Santa real?" This is his answer.

> Why a Christmas song in early November? Because we want to let you in on a secret. The song and its lyric video reveal what human eyes can't see.

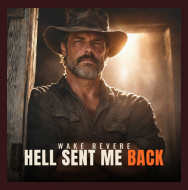

THE SONG

On Christmas Eve, a little girl asks, "Is Santa real?" The answer points to things that are real before you see them, true facts about reindeer, and Saint Nicholas, who gave gifts in secret.

Reindeer really can see ultraviolet light, which people can't. A word is hidden in the sweater on the cover, and only a black light shows it.

> *You won't see 'em with your eyes, but you'll know where they've been*
